

Multi-line Capabilities

Earthquake

Offered exclusively through national wholesale partnerships, we are one of the leading U.S. markets for Earthquake Insurance. Our Difference in Conditions (DIC) product offers Earthquake, EQSL and Flood protection for most classes of commercial business. Up to \$30 million coverage is available on an admitted basis for primary and excess policies.

Explorer Auto

Our flexible Auto programs provide a variety of earned discounts based on driving records. We also provide programs for your small to medium-sized business customers to cover their commercial and private-passenger vehicles, all under one policy. Our products, our people and our business are focused on partnering with independent brokers and agents to achieve greater business results together.
