

## REDUCE YOUR CLAIM EXPENSES AND IMPROVE CARE FOR YOUR INJURED EMPLOYEES

The ICW Group Medical Provider Network (MPN) is a Workers' Compensation program delivered through Harbor Health Systems network of medical providers and facilities. Our network provides injured employees with timely and high quality medical care and is available to assist injured workers in returning to prior health.

### HIGH QUALITY CARE

Primary care doctors and specialists with expertise in treating workplace injuries.

### ADMINISTRATIVE EFFICIENCY

Excellent knowledge of treatment guidelines and reporting requirements.

### MEDICAL ACCESS ASSISTANT

Available to help you find an MPN provider in your area.
