Partnership Advantages with ICW Group

ICW Group is a national, top-tier, multi-line insurer quoting over \$3 billion annually. Our success is driven first and foremost by our people, who strive to create the best insurance experience possible for our customers, our community and each other. Combined with an A.M. Best "A" rating, award winning services, and a premier network of independent agents and brokers, we've been helping our policyholders protect their most valued assets for over 50 years.

To better serve our customers, ICW Group offers specialized in-house risk prevention expertise, proactive claims management, and highly flexible payment options.

At the heart of everything we do is the belief that progress happens when people feel secure. With headquarters in San Diego, California, our Team Members span the country, working hard every day to ensure our customers have a better today and a safer tomorrow. Through our partnership with you, we look forward to offering the same to your clients.

Where We Offer Coverage

ICW Group writes primary coverage in 22 states, along with incidental coverage in 24 additional states.

What Distinguishes ICW Group

Value-Added Policyholder Services for Insureds

- **Safety management platform:** A free online service with 5,000+ preventative safety materials, 800+ safety talks, 500+ risk prevention courses, and on demand webinars.
- **Proactive managed care:** With our prompt attention to injured workers through our Nurse Triage Hotline, managed care provider network, pharmacy program, our free Injured Workers Center Website, and an early return-to-work program, employees receive the appropriate care they need to recover and return to work quickly.
- **Expert Human Resource advice:** A free service HR *OnDemand*® offers a team of SPHR® and PHR® experts to provide advice on federal, state, and local laws and regulations.
- **In-house claims management:** Our claims team is in-house, hands-on and proactive, ensuring prompt delivery of disability checks and medical fees.
- **Fraud detection and prevention:** We help identify fraud and take steps to combat it. Our Special Investigation Unit reviews all claims for fraud within 24 hours of claim creation, and we provide a monthly fraud newsletter, on demand fraud webinars, and educational resources to discourage fraud.

Risk Management Services

ICW Group partners with insureds to help them create a safer work environment for their employees.

Perks for Insureds

1. **One-on-One Customized Risk Management Assessments** with Specialized Risk Management Consultants. Our Specialists have an Average of 21 Years of Experience.
2. **On-site and Virtual Risk Assessments** to identify, manage and reduce workplace risks
3. **Emergency Preparedness Tools and Resources**
4. **Monthly Safety Webinars**
5. **Safety Blog**
6. **Robust Online Safety & Learning Management System** with Safety *OnDemand*® 24/7 access to 5,000+ safety training resources—including safety talks, topic-driven handouts, eLearning courses, articles, videos, webinars and more.

Local “Boots On The Ground” Resources For Insureds

ICW Group provides immediate access to local teams of Underwriters, Claims Specialists, Audit Consultants, and Risk Management Experts.

What Distinguishes ICW Group (CONTINUED)

7. Risk Management Assessment (PartnershipPlus+): Through PartnershipPlus, your insureds with a minimum premium of \$250,000 gain greater control based on the results of their Risk Assessment. Insureds receive a customized Action Plan that outlines practical risk reduction and claims management strategies that we can help implement immediately. Throughout the year, your insureds continue to receive expert feedback and guidance, designed to improve their overall Ex-mod factor. This includes the following:

- **Risk Assessment**
 - » Customized hazard analysis
 - » Loss cost evaluations
 - » Impact priority scoring
- **An Action Plan**
 - » Goals, objectives, roadmaps
 - » Focus on major loss drivers
 - » Alignment to business needs
- **A Performance Report**
 - » Quantifiable results
 - » Measurable cost savings
 - » Go-forward action plan

Please contact your Business Development Underwriter with any questions.

Anti-Fraud Services

Fraud negatively impacts future premium costs and drives up your insured's Ex-mod while also compromising employee productivity and morale. It's why ICW Group works hard to protect your insureds.

REPORT FRAUD

1. **Anti-Fraud Hotline:** 855.ICW.FRAUD (855.429.3728)
2. **R.E.P.O.R.T. Worksheet**

- EVERY claim processed is automatically reviewed for fraud within 24 hours
- 3,000 Red Flag Data Points Evaluated
- Special Investigations Unit assigns 5X's the number of claims for investigation vs. industry average
- Insureds' Fraud Friday Newsletter sign up

Webinars for Insureds:

Request Anti-Fraud Materials:

Premium Savings Through Assistance Lowering Ex-Mods

Through our proactive claims handling and free fraud fighting services, your insureds experience on average a 10-point decline over 4 years.

In-House Claims

On-site, hands-on and highly skilled, ICW Group's claims management team starts processing a claim within 24 hours.

Advantages to Insureds

- **Less Costly Claims:** Claims beat industry costs by 20% and close 6% faster than the industry
- **Immediate Reviews of Every Claim**
- **Hands-on Examiners with Low Case Assignments** – to walk policyholders and injured workers through every facet of the claim, including medical care, coverage and timely benefit payments
- **Nurse Triage Hotline and a Nurse Case Manager** – to ensure injured workers get the best care possible, as quickly as possible, and are on the path back to work
- **Telemedicine Service Designed Specifically for Workers' Compensation Injuries**

EZ-Report 'Pay-As-You-Go' Billing for Insureds

EZ-Report is an online payroll entry and payments platform that simplifies reporting each month.

- Set up Direct Deposit
- Register for access to the Agent Portal
(Request access from your Agency Administrator)
- Visit the Agent Resource Center
- Review Selling Tools in this document
- Begin submitting business
- Snap Login:
- Agent Portal Login:

Submit Business

- Use the Agent Portal Login:
- View these helpful instructional videos and Resource Guides:
- Print Submission Guidelines:

Helpful Forms for Insureds

- [Targeted Categories](#)
- [IQ Class Codes](#)
- [Supplemental Apps](#)

Guidelines

- ICW Group accepts applications 120 days prior to the effective date when submitting via Snap.
- For quickest market reservation, include 4 years of currently valued loss runs (or as many as applies up to 4).
- Loss runs must be valued within 120 days of the effective date.

To assist in underwriting, please include:

- 4 years of historical payroll (or as many years as applies up to 4)
- Supplemental application, if required. We do accept other carrier's supplemental apps. Visit the Agency Resource Center at icwgroup.com/ARC, Underwriting Tools, to download ICW Group Supplemental Applications
- Ex-mod Worksheet, if available
- Good description of operations

Resubmit Application:

- Snap's Resubmit function allows you to use the prior year's application to automatically create a new submission for the renewal term.
- The Resubmit Application button is available up to 120 days prior to the renewal date.
- When you click the button, Snap creates a copy of the data incrementing dates by one year. The newly created application is in a draft status.
- Please review the information, make changes as needed for the current term and then submit.
