

YOUR WORK COMP PROGRAM IS AN INVESTMENT THAT DESERVES MEASURABLE, FAVORABLE RETURNS.

With PartnershipPlus+, you gain greater control of all critical areas of your workers' compensation program. Based on the results of your Risk Assessment, you receive a customized Action Plan that outlines practical risk reduction and claims management strategies that we can help you implement immediately. Throughout the year, you continue to receive expert feedback and guidance, designed to improve your overall experience modification factor.

To ensure long-term premium savings, your annual Performance Report provides program results and a strategic roadmap for your continued success.

RISK ASSESSMENT

- Customized hazard analysis
- Loss cost evaluations
- Impact priority scoring

ACTION PLAN

- Goals, objectives, roadmaps
- Focus on major loss drivers
- Alignment to business needs

PERFORMANCE REPORT

- Quantifiable results
- Measurable cost savings
- Go-forward action plan
