

"Before ICW Group, our
safety program was not
very strategic."

— Rick Sweeney
Straub Distributing Company

myResource

Now with *EzPay*

Your secure single source for payment
information, claims information and
safety & training resources.

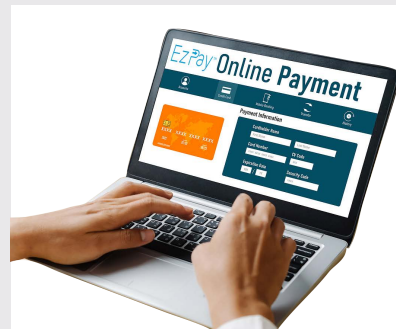

Free Safety Resources

Ensure training safeguards are in place with *Safety OnDemand®*, an injury-prevention learning management system.

Pull Loss Run & Claims Reports

Control costs and lower your Ex-mod with reports that pull data on incurred costs, loss ratio for the current year, and detailed claim overviews (which includes reserves and action plans).

Pay Invoices Online

EZ-Pay is a seamless way to organize payments.

myResource Gives You:

- Competency-based learning management system with 500+ training courses, complete with videos, progress tracking and completion reports.
- Valuable loss and claim reporting information — helping you proactively manage claims, control costs, and achieve long-term premium savings.
- Payment options made easy with one simple click.
- 24/7 access to more than 5,000 safety topics to assign & track progress for one-on-one training from anywhere, anytime, and on any device.
