The steps to add your employees to the elearning management system

Adding Learners

1. Login to myResource: myResource.icwgroup.com
2. Open 'Safety OnDemand' (option is in the left menu).
3. Click on 'eLearning' in the top menu, then select 'Admin' on the left menu.
4. Select 'Users & Permissions' and 'Manage Users'.
5. To add a new user individually, click on the '+New User' button.
6. Enter their email address (if they don't have an email, enter a unique user ID), then click 'Create'.
7. To add several learners at once, add to a spreadsheet and upload by clicking 'Add via CSV'.
 - Make your spreadsheet with the headers: Email, Name. No email? You can use Unique ID. All columns should be full (no empty spaces). Save as CSV.
 - Use the "Drop a CSV to update or add user data" area or "choose a file" and browse to it to upload.
 - Follow the steps to drag the key icons to identify the fields.
 - When you're done, click 'Confirm'.

To learn more, see these helpful guides for [Managing Learners](#).

The steps to locating
and assigning courses
to your employees

Find & Assign Courses

1. Login to myResource: myResource.icwgroup.com
2. Open 'Safety *OnDemand*' (option is in the left menu).
3. Click on 'All Topics' in the top menu, then select 'Assign a Course' in the filters area on the left.
4. Select the subject in the 'Topic' area. For example, 'Back Safety'.
5. Continue using the filters as desired.
6. Click to open the 'eLearning' content, such as 'OSHA: Back Safety and Injury Prevention Overview'.
7. Click the 'Assign Now' button to open the 'Courses' application.
8. Click '+Learners' button and assign the Learners you wish to take the course.

Each learner you assign will receive an email informing them of their assigned course and a personal link to get started.

To learn more, see these helpful guides on [Assigning Courses](#).
