

INSTANT QUOTE (IQ) PROGRAM HIGHLIGHTS SOUTH CAROLINA

Offer your small business clients the expertise and resources of a major carrier—at a premium they can afford.

Highlights

- Leverage Snap® — our web-based tool, for the quickest and easiest way to submit, quote and bind coverage
- Upload directly from your agency management system — no duplicate entry
- Prequalify the risk — answer only three questions
- Quickly reserve the market ahead of your competition, up to 120 days in advance without submitting loss runs
- The Resubmit function allows you to use the prior year's application to automatically create a new submission for the next term

Eligibility*

- Almost 150 eligible classifications available
 - Single-state operations in South Carolina
 - Manual premiums ranging from \$1,500 to \$15,000
 - 15% commission on new business; 10% commission on renewals
 - Ex-mod factor eligibility range of 65% to 180%
- For more information, contact your local ICW Group Underwriting Team.
- * Subject to change. Rates and products vary by state. See Submission Guidelines and Market Reservation.

For more information, contact your local ICW Group Underwriting Team.
